**ORDER**

---

After a careful, *de novo* review of the file, the Court concurs with the Magistrate Judge's Report and Recommendation, to which objections have been filed (doc. no. 18). After thorough consideration of the grounds of error alleged in Plaintiff's brief (doc. no. 11), the Magistrate Judge recommended that the Acting Commissioner's final decision be affirmed because it was based on substantial evidence. (See generally doc. no. 16.) In her objections, Plaintiff protests the Magistrate Judge's findings in a notably conclusory manner and otherwise simply restates the claims that the Magistrate Judge has already addressed at length. (See generally doc. no. 16.) Importantly, Plaintiff does not offer any new information or evidence that warrants a deviation from the Magistrate Judge's recommendation. Thus, Plaintiff's objections are **OVERRULED**. Accordingly, the Report

and Recommendation of the Magistrate Judge is **ADOPTED** as the opinion of the Court. Therefore, the Acting Commissioner's final decision is **AFFIRMED**, this civil action is **CLOSED**, and a final judgment shall be **ENTERED** in favor of the Acting Commissioner.

SO ORDERED this 23<sup>rd</sup> day of July, 2013, at Augusta, Georgia.

  
UNITED STATES DISTRICT JUDGE
